When can I volunteer at Camp For All?

Camp For All welcomes over 10,000 campers through its gates annually. There are ALWAYS volunteer opportunities! Camp groups are on site nearly every weekend during the spring and fall and every weekday over the summer. Volunteers are utilized most while groups are on site to help with activities. There are also Camp Care Project opportunities while groups are not on site.

I am interested in volunteering, what's my next step?

Email Camille Boudreaux at cboudreaux@campforall.org or call 979-289-3752.

Camille will send you a volunteer application to fill out. Once you return it to her, you will start getting an email at the beginning of each month with all of the upcoming volunteer opportunities. At that point, you will be able to sign up for whatever dates, times, and activities you are most interested in volunteering for.
