CAMP FOR ALL

2015 ANNUAL REPORT
MISSION

Camp For All is a unique, barrier free camp working in partnership with other non-profits to enrich the lives of children and adults with challenging illnesses and special needs and their families, throughout the year.

“Disability? More like different abilities.”
Camp For All is the national leader in creating and providing proven life changing experiences for children and adults with challenging illnesses and special needs through passionate and professional staff, cutting edge facilities and innovative programming. The barrier free, not just accessible, camp is located on 206 acres in Washington County, Texas and served a record 10,711 campers in 2015.

Campers come to Camp For All with many challenges including autism, muscular dystrophy, cancer, Down syndrome, cognitive differences, multiple sclerosis, neurofibromatosis, PKU, spina bifida, sickle cell disease, seizure disorders, HIV, brain trauma, missing limbs and more. “Can’t do” becomes “can do” by fostering each camper’s independence, building their confidence through encouragement and support, and helping them discover their fullest potential.
“Thanks Camp For All for helping kids live their dreams.”
Camp For All is proud to present its Annual Report for 2015. It was a record breaking year serving close to 11,000 children and adults.

Even the unusual amount of rain could not dampen the campers’ enthusiasm or the emotional healing they experienced. At Camp For All, campers with special needs and challenging illnesses were able to discover life in an environment of acceptance, understanding and fun! They left camp with a sense of hope and growth in self-confidence. Thank you for helping Camp For All provide these life changing opportunities.

The need for Camp For All continued to grow in 2015. The summer season remained at 100% capacity while fall, winter, spring welcomed 5 new camps and many new campers. Weekends were close to capacity and weekday camps grew, as well.

One way Camp For All addressed the growing need is Camp For All 2U. 2015 was the second year for this outreach program where we literally took Camp to the city. A 2U week was held twice at MD Anderson and for one week at both Bo’s Place and Dell Children’s Medical Center in Austin. It was a little different having Camp indoors but the resulting laughter and uplifting atmosphere were exactly the same as being outdoors at Camp For All.

Special thanks go to our volunteers at Camp For All and Camp For All 2U. The donation of your time and talent increased 36% from 2014 for a total of 9,454 hours. The joy you brought to the campers was priceless.

Two needed projects were addressed in 2015, the Camp office remodel and dam remediation. In addition to updated offices, Camp For All now has a “walk in” camp store, called Penny’s Place. The dam project addressed the severe erosion behind the dam at the big lake by building a new drainage system and reinforcing the dam with bentonite.

Camp For All, the staff, the Board and auxiliary organizations continued to exceed expectations in 2015 for the growing number of campers. Once again, thank you to our generous donors who understand the importance of Camp For All in the lives of the special children and adults we serve.

Sincerely,

Rogers Crain
Chair, Board of Directors
AT A GLANCE

2015

Number of times we heard
“I don’t want to leave Camp For All?”
Can’t count!

New barrier free Ranch Wagon
donated by Evelyn and Jim Owens
and Bill Owens

Record
9,454 volunteer hours
AT A GLANCE

- Program Staff spent 7,718 hours training
- 10,711 Campers all year long
- 64 Partners and 5 new camps
- 503 pies thrown at Camp For All 2 U
- Program Staff came from all over the U.S. plus England, Ireland, and New Zealand
- 98,724 meals served
- 145 CAMPS camped at CAMP FOR ALL

“Camp worked a miracle!”
