**EVERYONE IS INVITED TO
COME TO CAMP FOR ALL!**

Everyone is invited to come to [Camp For All](#)! For only the second time in its 32-year history, Camp For All has designated Sunday, June 15, through Friday, June 20, as a special Camp For Y'all Week, *open to the general public*. This unique event invites families and friends to experience Camp For All firsthand, offering a two-night stay or a single-day option. Participants can enjoy a variety of fun and safe activities led by trained staff members, as well as access world-class camp facilities. This is especially great for families who have an adult or child with special needs or limited mobility to experience a summer camp without barriers!

Located in Burton, Texas, the 206-acre Camp For All site features:

- Over 100,000 square feet of facilities
- Two lakes and nature trails
- Wooded areas and cleared spaces for diverse activities: fishing, archery, zip lines, and more!
- A fully accessible pool for refreshing summer fun - (fully accessible for wheelchair users and those with special needs/disabilities)

Camp For All was designed to be barrier-free, allowing children and adults with challenging illnesses, special needs or disabilities to experience the thrill of camping and nature alongside their able-bodied peers. Nearly 9,000 campers enjoy barrier-free fun each year through our partnerships with various nonprofits.
